## **As We Remember Those Who Protect US**

This past Sunday my sister, Joleen, and I organized our Memorial Day ritual by purchasing wreaths and flags to place on the graves of our relatives that rest in four cemeteries in the Dubuque area. Each year we place flowers or wreaths on the graves of our great-grandparents and their siblings, my grandparents and their siblings, my dad and his siblings, my mom's siblings, my brother and two cousins, At each grave we pause as a family to say a prayer and to share memories of each person. It is always a bittersweet experience as tears and sadness mix with laughter and "remember when moments" due to how each person significantly impacted our lives.

The true meaning of Memorial Day becomes a reality each year as we place a flag on the graves of those who served proudly in WWI, WWII, the Korean War and the Vietnam War. This Memorial Day, let us honor the men and women throughout our country who served our country so courageously.

### **A Prayer of Thanks**

Thank you, Father, for the gift of our country and the gift of freedom.

Thank you for the men and women who protect these gifts, at home and abroad, even at the sacrifice of their own lives. They are heroes among us

Today, we pause to remember all those who have laid down their lives since our nation's creation, so that we can continue to enjoy the rights of life, liberty and the pursuit of happiness. Let your perpetual light shine upon them and grant them eternal rest.

Dear God, protect all who serve our great and blessed country, who fight to keep us free from injustice and harm. Send out your angels upon them and cover them with the precious blood of your dearly beloved Son, Jesus Christ. In his name, we pray. Amen.

### **Congratulations**

A special congratulations to Miss Boersma and the students of Grades Kindergarten through Grade Eight who, through song and instrumentation, took us on a journey of a variety of genres in American music.
