Home & School Notes

THANK YOU, THANK YOU, THANK YOU!

During the first half of the 2016/17 school year, many generous St. Ann's parents have dedicated some much appreciated time to leading events and activities for our school family that make it a special – and fun – place to be. Please join us in extending special thanks to the following Home & School Association Committee Chairs for their commitment and leadership in driving successful events and fundraising efforts so far this year:

JUDY APEL – Judy lead the charge on the very successful Harvest Happenings Dance. The decorations were beautiful, the dancing was fun, and attendees young and young at heart had a knee-slapping good time!

AUDREY BRIDGES & AMY DIBENEDETTO – This dynamic duo has already put in countless hours, along with their committee, to lay the groundwork for the best and most successful Spaghetti Dinner yet! With raffle tickets sales already soaring and public awareness for the event at a high level, the February 3 event that caps off Catholic Schools Week is on track to be a perfect fundraising and community building event for our school and parish community.

WHITNEY & BRIAN BRIMMER, NATALIE NEMECKAY, SARAH NELSON, LIZ WOLTER, TAMARA MEHRING, LISA CLARK AND DAVE DUGAN - Thank you CLASSROOM PARENTS who coordinated memorable classroom celebrations to help kick off the holiday break and teacher gifts that demonstrated appreciation for the staff in our school.

KRISTIN DANNINGER – Ever wonder how the “trash” you diligently collect and bring to school is magically turned into “treasure”? The ongoing commitment of Kristin and her team who collect, organize and submit those box tops, labels and other items and turn them in for cash. Thanks to Kristin, Home & School recently received a check for more than \$800 for Box Tops alone! Keep the “magic” going, Kristin!

KARI FERHNOLZ – As second-year chair of the newly formed Adult Fundraising Committee, Kari and her team are off and running on the plans for a 2nd annual adult-only fundraising event on April 28 that promises to be even more fun than the wildly popular “RockIt!” inaugural event in 2016. Stay tuned for details...

JOE KARLEN – In his position as chair of the “Special Ops” fundraising committee, Joe pulled off the difficult task of coordinating two fun, community-building events in one week. First was a St. Ann's night at Culver's, a generous local business that supports St. Ann's. Later that same week, he helped coordinate an “in-house” UltraZone laser tag event that drew more than 60 students. Thanks, Joe!

JIM OPITZ – With Jim's diligent commitment to making Scrip gift cards easily available for purchase to St. Ann School and Parish families, this important school fundraiser is poised to reach record income goals.

DIANA PROBST – With Diana at the helm of the popular Book Fair, the event went smoothly and was successful in both raising funds for our school, and in creating a special opportunity for students, parents, grandparents and other special people to celebrate the importance of books and reading.

DANIELLE SHUMATE-OLSON – Shout out to Danielle for taking on the big role of coordinating the details of Grandparents/Special Persons' Day. By all accounts, the day was a huge success and both our special guests and students enjoyed the festivities!

GINA SORENSEN Thanks goes to Gina for her willingness to take on the new St. Ann's Boutique chair position and helping to spread some "St. Ann's Sunshine" with the various logo items, coffee and hot cocoa.

JENNY TECHE – As chair of the Parish/Community Connections Committee, Jenny helped coordinate kids' activities for the Parish Festival. In spite of challenges posed by this early-year activity, Jenny did an excellent job pulling together all of the pieces for a successful Youth-A-Palooza.

LYNN WOOD - In addition to keeping things moving smoothly with the Home & School Association as the organization's co-chair, along with Russ Horton, and with Communications Chair, Beth Tomczyk, Lynn has also shepherded the newly created Funding Development Committee. This Committee's work is on track to help our school and parish develop a long-term funding strategy that will help grow our St. Ann's community while ensuring its long-term viability.

Thanks, too, to the **Home & School Association Steering Committee** members who have served as liaisons for all of these committees and have filled in when necessary to make sure the chairs have the support and information they need to succeed. And, to the many committee volunteers who help support the chairs and the work we all do to make St. Ann's School such a special place. It is because of outstanding efforts like these and the commitment of so many others who helped make these events such a great success that St. Ann's truly does ROCK!
