Principal's Corner

It's crazy to think it's already that time of year when we start thinking ahead for the 2018-19 school year and opening our enrollment. The contracts will be coming home soon, so please watch for them and read them carefully, as there have been important adjustments/changes in the wording and expectations. In addition, speak to your friends and neighbors, and let them know that we are now enrolling new families. Anyone who refers a new family who enrolls at St. Ann's will receive a \$25 Scrip gift certificate.

In addition, I am asking that you spread the word about our Kindergarten Open House which is described below. At this time, I want to also make an announcement that saddens me greatly: After fifteen years of dedicated service, Carol Fields has decided to retire from St. Ann's. This past December, her husband, Curt, retired as well and so they are both looking forward to new adventures and more time with their family. It goes without saying, but Carol's incredible compassion and dedication to her students will be greatly missed.

On the flip side, what's the saying? Where one door closes, another one opens. I am extremely excited to announce that our 5th grade teacher, Abby Boehm, has accepted the Kindergarten position. Prior to joining us at St. Ann's, Abby was a pre-school teacher and then Director of Communications for her school in Minnesota. She comes very prepared to meet the needs and challenges of our incoming kindergartners. This means that I will be searching for a new 5th grade teacher for next year. If you know of someone who may be interested, have him or her keep an eye out on WECAN for the position vacancy.
