St. Ann's Helping Hands Blood Drive Update

St. Ann's Helping Hands would like to thank the families and parishioners who generously donated time, food, and blood to make the Blood Drive a success! A total of 39 units of blood were collected and there were 7 first-time donors. This was a HUGE success as a blood drive, but especially impressive as our first one! We are so grateful for the time and donations we received! Thank you all!
