Principal's Corner

As we wind down the year and wrap up the last month of school, it's once again time to begin plans for the summer and next year. As is the case every year, we welcome new people into our lives and say goodbye to friends who have impacted us in so many positive ways. After two years of being a part of our St. Ann Family, Alivia Gilbert has made the decision to take a new position and, therefore, will be leaving us. Alivia has done a wonderful job of building our Spanish program as well as supporting the Computer curriculum, and we will greatly miss her smile and warmth next year. Although she won't be in our building, I'm sure we will continue to see her around at many of our events next year. Many blessings to you, Alivia, on the next step of your journey.

I have mentioned before that there will be some shifting of staff next year as we continue our growth. Heidi Tolmie, our aide in 3rd Grade, will move with the class to the 4th Grade. Aimee Stano, our current 5th Grade teacher, is very excited to be moving to the 4th Grade classroom. Margaret Jamison will still be teaching Art classes, but Julie Grutzner, along with Middle School Social Studies, will be taking over the K-8 Phy Ed classes. Therefore, I am in the process of interviewing for the 5th Grade teaching position.

Coincidentally, I am very fortunate that in interviewing for the new 5th Grade teaching position, I was able to find someone to fill the Spanish and Computer position. I am thrilled to welcome Mary Kate Donovan to our staff. Many of you may recognize or even know the name. Mary Kate is the daughter of Mariette Donovan, our former 3rd Grade teacher. It's too fun watching this young woman who once used to hang out at St. Ann's with her mom, now venture out on her own and join our team. In addition to Spanish and Computers, Mary Kate enjoys Math and so will be helping out in that department as well.

As always, God has blessed us with wonderful teachers and staff, and I look forward to the many ways in which the Holy Spirit will continue to lead us.

Our Faith Stories featuring Laurie Mecum and Jim Cisler

On **Sunday, May 22nd**, we will have another great night of faith sharing. Jim Cisler, from Holy Mother of Consolation Parish, and Laurie Mecum, from St. Ann's will be witnessing to their faith. When asked the "theme" of their talks, Jim replied: You need to stay the course with your faith in God on your life's journey and all will work out in the end." Laurie has a similar message: "Jesus, I trust in You!" This event will be held in Healy Hall beginning at 6:30 pm.
