A Lenten Reflection

As this Lenten season unfolds, we are called to remember:
That to follow Jesus is to take up our cross and to be servants.
To be a committed follower of Jesus means that we are called to answer the question, "Are you able to drink the cup that I drink?"
That we like Pilate and Caiphas continue to nail Jesus to the cross.
That we like Peter, are afraid and run away.
That we like the woman with fine ointment have something to offer.
That it takes courage to watch and wait with Jesus through the night.
That through our daily words and actions, we proclaim with Mary Magdalene that Jesus is not dead but alive!
These words clearly describe the challenge of our Lenten journey. As these forty days unfold, let us keep sight of the promise of hope awaiting us at the tomb on Easter morning. Let us continue to journey with Jesus in faith and in love.

Amen

Food and Hygiene Item Drive

It's no too late to bring in items. Please bring in your non-perishable food items and hygiene items by Thursday morning. Thank you for supporting the Stoughton Food Pantry.

Conference Forms

Parent/Teacher Conference Forms were sent home last week. Please return your form as soon as possible if you wish to have a conference with your child's teacher.

H1N1 Vaccine Update

Those families whose children need a second dose of H1N1 vaccine (under the age of 10) may receive the vaccine at the Immunization Clinic that will be held on March 2 at the Stoughton Hospital from 3-5 PM. The vaccines are free and those that we immunized at St Ann will be eligible for their second dose beginning that day. The flyer that we sent home with those children under 9 years of age did not speak specifically about this clinic.

Monthly Tuition was due on Monday, Feb. 15.

Lent... A Journey of Love

Tuesday morning after I exercised at Navitas, I stopped at Pick n' Save to pick up a Fat Tuesday treat for the staff. As I drove home, I thought how easy it is to give up eating occasional treats and concentrating on exercising for forty days to lose those winter pounds. But would losing those pounds be actively journeying with Jesus this Lent? No, not at all! As I prepare for the start of my Lenten journey tomorrow, I have decided to focus on the instruction that Jesus shares with us, "Love one another as I have loved you." He sacrificed everything including his life for us. We can never equal that! Tomorrow, as the ashes are placed on my forehead to begin my Lenten journey, my thoughts will center on how I can love my family and friends more during these next forty days of Lent.

I can be patient and never give up on them. I can bring healing in the form of a kind message, ongoing support or physical presence. I can share what I have learned with others. I can reach out to those who need friends and be available to them. I can share what I have with those who have less. I can be there for people in times of grief. I can allow others to serve me sometimes and to benefit from that experience. I can bring a message of hope to others and do nothing to discourage them. Through each experience, I can attempt to love others as Jesus loves me.

As our Lenten journey begins, know of my prayers and support for you and your family as you discern your Lenten promises. May your promises challenge you to love others and to become actively involved in Jesus' journey of love.

A Special Thank You

Are You Missing A Dish?

Please check the school kitchen or cart outside of the school kitchen for dishes you may have left at school from school or church activities. Any items not claimed will be donated to the St. Vincent De Paul Society.

We Journey With Jesus!

Lent is:

A time when we are invited to reflect on life and its meaning.

A time when we are invited to open our eyes and realize in a deeper way God's presence in the daily events of our lives and in each other.

A time when we can grow in a sense of God, of Church, of family.

May your Lenten days lead you to the profound joy and celebration of our risen Lord on Easter.
